

Voupre Face and Neck

Instructions

Radiance Facial Cleanser

Use daily, massaging a small amount into wet skin until lathered on. Rinse clean with cool water. For optimal results follow with *Marine Deep Moisturizer*.

Ultra Day Moisturizer

In the morning, apply a generous amount to the face and neck areas. Massage a small amount into wet skin until lathered on. Rinse clean with cool water. For optimal results follow with *Marine Deep Moisturizer*.

Hydrating Toner

At the end of the day, use a few pumps to scrub and clean any dirt built up throughout the day.

Revitalizing Night Cream

Apply a generous amount to the face and neck before bed.

Deep Renewal Facial Peel

Use once per week after a warm Shower. Apply a small amount to the T zones & neck area. Let it rest for 20 seconds before gently massaging in a circular motion for 30 seconds or until dead skin has fallen off. Clean your face with cold water, then apply a day cream or night cream.
